

CALL FOR APPLICATIONS: SOS CVN YOUTH DEVELOPMENT TRAINING 5.0

Are you a young person in Edo State looking to secure a decent job or build a successful business? SOS Children's Villages Nigeria, through the "*Improving Livelihoods and Empowering Vulnerable Households in Edo State*" Project, is offering an incredible opportunity to equip 88 youths (50% female) with demand-driven skills for employability and entrepreneurship success.

Program Features

This training has 2 program Tracks: Entrepreneurship and Employability

Program Tracks:

- 1. Entrepreneurship Track (10 days)**
 - For persons interested in expanding or starting a business.
 - Learn business development, financial literacy, marketing, and business management.
 - Compete in a Business Plan Competition and get a chance to enter a 10-day incubation program.
 - Top winners receive funding support to scale their businesses.
- 2. Employability Track (10 days)**
 - For graduates of tertiary institutions who are seeking paid employment
 - Gain critical job-readiness skills, including CV writing, interview techniques, and workplace communication.
 - 32 participants will be placed in a **3-month internship** for hands-on experience.

Eligibility Criteria

For Entrepreneurship Track:

- Aged 18-35 years
- Minimum secondary school certificate
- Must have a viable business idea or currently running a small business

For Employability Track:

- Aged 18-35 years
- Must have a tertiary education degree (BSc, HND)
- NYSC or exemption certificate
- Proof of date of birth (NIN preferred)
- Willingness to commit to a **3-month internship**

How to Apply

Interested candidates must complete the online application and upload the required documents for verification.
